

# **MOBILE APPLICATION PRIVACY POLICY**

## **CanCell Cancer**

### **I. General application**

The mobile application CanCell Cancer was made by the National Health Fund with its registered office in Warszawa, ul. Grójecka 186, 02-390 Warszawa.

For the security of the personal data which are provided by users of the mobile application, the National Health Fund has devised this Privacy Policy to set out the principles for collecting, processing and using personal data.

The process of managing the security of the information processed by the National Health Fund fulfils the requirements of the ISO 27001:2014 standard and any requirements of the Polish law which regulate the process of processing and protecting personal and medical data, in particular arising from the Act of 29 August 1997 on the protection of personal data and from the Regulation of the Minister of the Interior and Administration of 29 April 2004 on documenting the processing of personal data and on the technical and organizational conditions which should be fulfilled by information devices and systems for processing personal data.

### **II. Personal data**

The producer of the CanCell Cancer Application does not process the personal data of the application users.

### **III. Access to authorizations on the mobile device**

1. By logging onto the CanCell Cancer Application for the first time, it is necessary to provide data on weight, height and date of birth. It is not obligatory to provide any other data which are used to calculate the risk of contracting a cancerous disease.

2. The data are stored locally and are not transferred to third parties.

3. Upon the formal consent of the User, the CanCell Cancer Application may be granted access to:

1) location – necessary to identify the position of the User in order to provide him or her with the relevant contact data of medical centres,

2) the system dialler – necessary to dial the telephone number of the selected medical centre,

3) the memory (including the SD cards) – necessary to store data in the memory of the devices which makes it possible to use some of the functionalities in the offline mode.

4. The User may switch off or cancel the authorizations of the Cancell Cancer Application mentioned in par. 3 above by changing the system settings of the Mobile Device.

5. The Supplier is not liable for the privacy policy which is used by the owners or administrators of the services whose links may be referred to in the Cancell Cancer Application or for the policies of the Google Play and AppStore stores.

The User may switch off or cancel the authorizations of the mobile application by changing the system settings of the device or by uninstalling the application.

### **IV. Contact**

In case of any questions concerning this Privacy Policy, the Users may feel free to contact us at the aforementioned address or via email: [akademianfz@nfz.gov.pl](mailto:akademianfz@nfz.gov.pl)

#### **V. Final provisions**

The National Health Fund reserves the right to amend the content of this Privacy Policy should provisions of the Polish law change or new technological and information solutions be implemented.
